VOLUME 36

FRIDAY MAY 28th 1943

NUMBER 6

Meat Rationing Went In Effect Thursday

After midnight Thursday meat rationing went in effect across Canada. Now when the housewife goes to the butcher shop to buy her meat requirements she will need to take along her ration book. The brown spare "A" coupons from No. 2 ration book, the one now in general use, will be used to buy meat.

Two coupons per week, may be used, and the meat values vary, according to the kind of meat bought, from one-half lb. to 1 1/4 lbs. per coupon.

Meatmen butchers in the city will get a lesson in cutting on Thursday evening at the Elks club hall, when a representative of the WPTB will stage a school.

Charts showing cuts, coupon value and retail value will, it is understood, shortly be posted in all retail stores.

Crops Doing Fine

The past week has witnessed a real period of progress in crops throughout the district. Wheat is all seeded except the old small patch, and coarse grains are being seeded rapidly. The week has been almost perfect for field work, except for Saturday when a high wind blew all day.

Beets are all in and thinning is in progress in many fields. Labor for the beets still remains a problem but it is being solved. A heavy shower Tuesday afternoon, bringing .23 of rain, and a lighter shower Wednesday afternoon have given a boost to crops and gardens and put the soil in fine shape.

Most gardens are planted and early planted ones are now showing above the ground. A good season will see the production of a vast amount of vegetables throughout the district.

Mr. and Mrs. Anna Hancock, Ye Ed. and wife, Alvin and Miss Ina Jones were at the Temple Wednesday and report a very pleasant trip.

The next step is to get the names of farmers who are willing to use high school help that is now experienced or to take an apprentice. As soon as the Community Farm for Victory Committees are formed, they will be asked to get this information. In the meantime, if any farmers desire to obtain a trainee or one who already has experience on farms, they may communicate with the District Agriculturist, Cardston.

Mrs. Ella K. Milner Passes In Salt Lake

Mrs. Ella K. Milner, mother of Marshall, passed away in Salt Lake City, Utah, Wednesday night and the remains are being brought to Raymond for funeral services in the Stake House at 2 p.m. Sunday, and interment will follow in the local cemetery by the side of her husband who passed away in 1926.

Mrs. Milner was 86 years of age, and a fall, when she broke her hip, the first of this month hastened her passing. She came to Raymond with her husband and family in 1903, and lived here until 1930 when she went to Salt Lake to live. She was the mother of six boys and one girl, three of her sons having predeceased her. The remaining ones are J.R. and E.L. who live at Livingston, Mont. Marshall of Raymond and Mrs. Ella Bennett of Salt Lake City. With her husband she assisted in the pioneering of the district. We extend our sympathy to the family in their bereavement.

ALBERTA BOYS' LAND CORPS

"FARM FOR VICTORY" PROJECT TO TRAIN HIGH SCHOOL BOYS FOR FARM WORK UNDER THE DOMINION PROVINCIAL YOUTH TRAINING PROGRAM

Every source of manpower in Canada will have to be tapped to meet the needs of the army war industry, and food production on the farms. Last year college and high school boys were moved from the East to Western Canada for harvest. Although these boys helped out, they could have been of much more use if they had been given some previous farm experience and a little hardening in. It is the aim of the Alberta Boys' Land Corps organization to be in a position to make full use of the school boys in the West and to have them trained so as to be of the greatest possible use when the rush of harvest comes on. Schools do not convene until October 10th next fall and in normal years the busiest time is then past.

Experienced boys are urged to get jobs directly on the farms. The training plan works under two options:

OPTION "A": Boys may be sent singly or in pairs as apprentices to farms in the district nearest the boys' homes. They would be given training in the farm practices for about three weeks. During this time the farmer will furnish the boys' board and room and the Dom. Prov. Youth Training will allow them \$3.00 per week for spending allowance. As soon as the farmer feels that the training is sufficient the boy will begin employment under wages according to the earning capacity of the boy. Wage scales will be drawn up in consultation with the District Agriculturist.

OPTION "B": This option provides for the collection of boys at a number of training centres, such as the Olds School of Agriculture. Here they would be given training and conditioning for three or four weeks before being sent to farms. During this period room and board will be furnished as well as an allowance for spending.

Transportation to place of training or the farm where employed will be paid if train or bus travel is necessary.

Most of the high school boys have been canvassed and applications taken from interested boys. In the district served by the Cardston District Agriculturist Office 57 have applied to go on farms under this scheme.

Alberta's Premier Passes Away

Hon. Wm. Aberhart, Premier of Alberta since 1935, passed away in a Vancouver hospital early Sunday morning from a liver ailment, following two or more years of poor health. Although it was known that he was suffering with this trouble, it was not thought his condition was nearly so serious as it proved to be after he entered the hospital. Acting Premier Manning and Hon. W. A. Fal-low were enroute to the coast to see the Premier when the end came.

Premier Aberhart was very widely known, and was leader of the first Social Credit government in history. He was a man of boundless energy, great enthusiasm, and broad vision. In his political campaigns he had visited every corner of the Province, and most of Canada, and was known by all, disliked by some, heartily acclaimed by many, but admired by everyone for his courage in sticking to his convictions and working for what he ardently believed was the good of the common people.

He had visited Raymond two

or three times, and with you we had listened to his oratory and his arguments for the gospel of Social Credit. He was also heard regularly over CFRC Calgary in the Prophetic Bible Lecture program. For some time in the first years of his Government he served only as Premier; later on assuming the portfolio of Minister of Education, and still later that of Attorney-General. These added responsibilities, with their worries, undoubtedly hastened his demise.

Flags have been at half mast all week, and memorial services were held in Edmonton and Calgary Wednesday afternoon. Government offices were closed all day Wednesday and schools were dismissed in the afternoon out of respect to the Minister of Education. Burial took place in Vancouver on Wednesday afternoon.

A caucus of Social Credit members will be held to name a new Premier, and amongst those mentioned are Messrs. Manning, Low, Tanner and Fal-low. Alberta and Canada has lost a bright mind and leaders

of both Church and State have paid high tribute to his ability as a leader and organizer.

NEWS NOTES

Jos. Beresnak of Coaldale was a Raymond visitor Thursday of this week.

Motorists getting gas coupons after June 1st, will find the coupons for the first two months of the fiscal year removed from their books.

Sons were born Monday, Victoria Day, May 24th, to Mr. and Mrs. Glenn Meeks and to Mr. and Mrs. Robert Lawson. All concerned are doing fine, even the two fathers.

The Fourth Elders Quorum, Ivar Wilde Pres. had charge of the Sunday evening meeting in the 2nd Ward. Speakers were Elders Howard Melchin and Leon Harker, the former speaking on "Temple Marriage" and the latter on "Tithing." Both talks were enjoyed by the audience.

Letter From Malta

Malta, April 20, 1943

Dear Mom and Dad:

Since last writing you I have received a sudden flood of mail. To be exact, 43 letters one day and 5 the next. All were from 2 to 6 months old. That was the reason I hadn't been hearing from you so often. There were several letters from friends who wished me success and a safe return home. I want you to acknowledge them and let them know how much I appreciate their kind thoughts and advice. Some time in the future I hope to write each one a letter but first and foremost come those who are closest and most dear to me. Letters from home mean more than almost any thing, so never hesitate to write letters to even anyone in the service.

Everything is going quite well here and I am fine. You have read in the paper how this little island is and has been, giving the Axis a bit of their own medicine, so you can see we have something to do. The end of the big scrap is now in sight though it may well be a year or two, possibly more before it is all over. If you could see all that Canada has done, and all the Canadians—well, it would make you so proud. Everywhere we are known—the English pilots who trained in Canada speak very highly of Canadian hospitality and all want to go back. So you see we all feel so glad that the people back home are all behind us 100 p.c. We can't and won't see God bless and protect you all.

Your son

Bob Zobell

Note: Bob has recently been made a commissioned Officer in the Air Force with the rank of Flying Officer. Our congratulations to "Bob".

NEWS NOTES

Born to Mr. and Mrs. Floyd Larson on Saturday, May 22nd a baby boy. Mother and son are doing fine.

WHY NOT, send us a report of clubs, socials, parties, etc. Then the news would be fresh, interesting, and most important, CORRECT. Our phone is No. 24.

Edsel Ford, 49, president of the Ford Motor Co., died at his home in Detroit Wednesday from undulant fever and complications. He had been in ill health for two years.

Round the clock bombing of Germany and the occupied countries of Europe must be exacting a terrible toll in life and property damage. Wonder how Hitler and his henchman like the increased doses of their own medicine.

Hon. W. R. Motherwell, 83, former Minister of Agriculture in the Dominion House and an authority on agriculture for a quarter of a century passed away at the Regina Hospital after an illness of several weeks.

FATS MATINEE on Saturday Morning June 5th. at 10 A.M. All Kiddies will be admitted for 2 lb. tin of rendered Fats or grease. Start now and save these Fats to assist in the War Effort.

There goes your letter to your boy...

IN IT, you put the home-spun bits of chit-chat you know he wants to hear... and in it you also put your heart. You mailed it with a prayer that it might find him safe and well.

Look—it's already on the way... speeding as fast as railway wheels can carry it.

Those singing wheels carry more—much more—than letters. They carry food for your pantry, coal for your furnace. They roll tirelessly that you may live in comfort. They race across the great stretches of this Dominion with the men and materials of war, so that all of us may live in freedom.

Twenty-four hours a day our railway wheels are rolling, driven by an army of over 150,000 workers serving two major fronts... the home front and the fighting front.

"Keep 'em rolling" is their watchword, whether it's food or fuel, tanks or troops.

Or just your letter to your boy...

D. C. MacArthur

D. C. MacArthur is the chief editor at CBC's Central News Bureau, Toronto. The news Bureau's activities are extended with the announcement by Dr. J.S. Thomson, general manager of the Corporation, that plans

POULTRY MEETING

in the TOWN HALL, Raymond,
FRIDAY, JUNE 11th, at 8 p.m.

INFORMATIVE ADDRESSES WILL BE GIVEN BY
DIRECTOR J. H. RHODES, of Brant
DIRECTOR K. KAPLER, of Strome and
SECRETARY J. I. WRIGHT, of Edmonton
dealing with various phases of the Poultry Trade

LANTERN SLIDES

will furnish illustrations of the operations of the big processing plants in Edmonton, and Calgary.

Come and see pictures of the Development and Expansion of Egg Dying and get Details of our Co-operative Marketing System.

IT WILL PAY YOU WELL

Alberta Poultry Producers LIMITED

have been made for direct broadcast from the front lines of combat. Two men, Peter Sturmburg, formerly of the Vancouver news bureau, and Matthew H. Halton former Toronto news paperman and war correspondent will go with the troops into the fighting zones, according to Dr. Thomson's announcement. Dr. MacArthur has announced that radio news reports will be recorded in the field, sent back to London, and beamed across the Atlantic for broadcasting on CBC's national network.

Ken. Hogue of the Army Postal Corps is home on leave and is looking fine.

Merle Summers went to Calgary on Tuesday with Bob Graham to report to the Air Force and get posted to his training centre. He returned home on Thursday.

Miss Agnes Macdonald, formerly of the Bank of Montreal staff here and now of Lethbridge was a Raymond visitor Thursday.

NATIONAL SELECTIVE SERVICE

Freedom's Fires Must Be Fed Our COAL!

CANADIANS must dig and deliver coal that we may sail convoys, power vital war plants, keep our railroads rolling, preserve the nation's health!

The coal mining industry—miners and management alike—have done wonders to provide coal, but they need help. More workers must be provided, or we falter—possibly fail—in this grim hour. Nature has been generous but we must help ourselves. Our mines are rich, but undermanned. By Proclamation, His Excellency the Governor General in Council has declared that labour supply for coal mines ranks as a national emergency. Further, in order to provide manpower for coal, the Governor in Council has issued an Order in Council aimed at swelling the flow of coal from mine to firepot.

This Order is of vital interest to everyone in Canada. Every Canadian should read and study its provisions, to see whether it demands any action on his part:

- 1 EVERY EMPLOYER, REGARDLESS OF HIS INDUSTRY, must advise his employees of these Regulations, and he must assist in discovering whether any of his employees have had previous experience as coal mine workers.
- 2 EVERY EMPLOYEE, REGARDLESS OF HIS INDUSTRY, who has had previous experience as a coal mine worker, must report that fact to his employer not later than Tuesday, May 25th, 1943.
- 3 A "COAL MINE WORKER" FOR THESE PURPOSES is anyone who, since January 1st, 1935, has worked under provincial certificate or license in or around a coal mine, or who, since the same date, has been employed for a total of at least 24 months in the production of coal (except at office work).
- 4 EVERY EMPLOYER, NOT A COAL MINE OPERATOR, must report in writing to a Selective Service Officer not later than Tuesday, June 1st, 1943, full details on any of his employees who are ex-coal mine workers.
- 5 SELECTIVE SERVICE OFFICERS ARE AUTHORIZED to require ex-coal mine workers to report for interview and to accept work at a coal mine.
- 6 SELECTIVE SERVICE OFFICERS MAY REQUIRE any man in any employment, if subject to Mobilization Regulations but rejected for Military Training, and certain others excused from Military Training, to accept employment at a coal mine.
- 7 NO COAL MINE OPERATOR may terminate the services of any coal mine worker without written permission from a Selective Service Officer.
- 8 NO COAL MINE WORKER may leave employment at a coal mine without written permission from a Selective Service Officer.
- 9 EVERY EX-COAL MINE WORKER, returning to the industry under these Regulations, will be paid wages at the established rate for the job at which he is placed; and the Government will pay wages of 40 cents an hour, 8 hours a day and 48 hours a week, to any ex-coal mine worker required to leave his present employment under these provisions, but not placed immediately at coal mining.
- 10 A BOARD ALLOWANCE of not more than \$7.50 a week may be paid an ex-coal mine worker now returning to a coal mine, if required to live away from the residence of his dependents.
- 11 PRESENT AND FUTURE COAL MINE WORKERS will be granted postponement from Military Training to February 1st, 1944, by virtue of their occupations; and no coal mine worker will be accepted for voluntary enlistment in the Armed Forces of Canada, prior to February 1st, 1944, except under permit to enlist from a Selective Service Officer.
- 12 NO EMPLOYER IN CANADA, EXCEPT A COAL MINE OPERATOR, may solicit for employment or hire any ex-coal mine worker.
- 13 REGARDLESS OF ANY DOMINION OR PROVINCIAL LAW, male persons at least 16 years old may be employed as coal mine workers, and female persons at least 18 years old may be employed as surface coal mine workers.
- 14 WAR EMERGENCY TRAINING CLASSES will be available for training men as coal mine workers.

Such is the substance of the new regulations. Full details may be had at any Employment and Selective Service Office. If these provisions require action on your part, you are urged in the national interest to act immediately. Severe penalties are provided for non-compliance, but the Government relies on the co-operation of the citizens of Canada to make prosecution unnecessary by prompt action as required. This is a grave emergency. Assist if you can.

DEPARTMENT OF LABOUR

HUMPHREY MITCHELL
Minister of Labour

A. MacNAMARA
Director, National Selective Service

NATIONAL SELECTIVE SERVICE Second Compulsory Employment Transfer Order

Notice to Certain Employers and Employees

that men in specified lines of civilian employment, in classes already designated under National Selective Service Mobilization Regulations, must report for interview not later than June 15th, 1943, at an Employment and Selective Service Office.

A. Objectives: This Second Order makes available for essential employments the services of men in classes already designated under National Selective Service Mobilization Regulations, who are now employed in specified non-essential employments.

B. EMPLOYMENTS COVERED BY THIS ORDER: Men, of the specified categories, are covered if now employed at:
(1) any occupation in or associated with retail stores; (2) any occupation in or associated with the manufacturing of feathers, plumes and artificial flowers; (3) any occupation in or associated with the manufacturing of greeting cards; (4) any occupation in or associated with distilling alcohol for beverage; (5) any occupation in or associated with the factory production of stationary and art goods; (6) any occupation in the operation of ice cream parlours and soda fountains; (7) any of the following occupations: bus boys; charwomen; coal cleaners; custom furriers; dancing teachers; dish washers; doormen and starters; green keepers; grounds keepers; porters (other than in railway train service); private chauffeurs.

C. AGE AND MARITAL CLASSES OF MEN COVERED BY THIS ORDER:
(a) Every man born in any year from 1917 to 1924 (inclusive) who has reached age 19; (b) every man born from 1902 to 1916 (inclusive), who, at July 15, 1940, was unmarried, or divorced or judicially separated, or a widower without child or children; (c) every man born from 1902 to 1916 (inclusive) who has become a

widower since July 15, 1940, and is without child or children now living; (d) every man born from 1902 to 1916 (inclusive) who, since July 15, 1940, has been divorced or judicially separated.

D. Procedure to be Followed: All men as defined above must report to an Employment and Selective Service Office, not later than June 15th, 1943. Men resident outside a city or town having an Employment and Selective Service Office, too far removed to call personally, may write to the nearest office, and await further directions.

E. OBLIGATIONS OF EMPLOYERS: When directed to accept employment, men referred to in Paragraphs B and C above are required by the Regulations to follow the direction.

F. OBLIGATIONS OF EMPLOYERS: It will be illegal for an employer to retain in his employ after June 15th, 1943, any man referred to in Paragraphs B and C above, unless a special permit has been obtained from Selective Service.

G. Transportation: Provision will be made for transportation of men moved to a new place of residence.

H. Appeals: If objecting to transfer to other employment when directed, a man may enter appeal with a Court of Referees within 7 days.

I. Penalties: Penalties are provided for either employer or employees, failing to comply with this Order.

Men referred to above must present documents at the employment office, indicating compliance with Mobilization Regulations

Farmers Will Profit

Local committees of farmers have been set up nearly all over the prairie provinces to work out ways and means of more efficient farm production with less labor and equipment. They are asked to produce less wheat and more of nearly everything else. We hope these committees will be permanent and not just for "the duration." Mixed farming requires special knowledge, skill and experience. The committees can serve as very useful links between agricultural scientists and other farmers and, also, encourage the exchange of good ideas between farmers. This need not mean less wheat, but will enable us to produce as much on fewer acres.

In a recent issue of an Australian farm journal, the following editorial comment is made:

"The war is doing disturbing things to farming. Many, of course, are temporary expedients, not to be tolerated any longer than is necessary; others, it must be admitted, represent long overdue advances in the industry."

"Most notable of these is the formation of district agricultural committees, in which must be recognized not merely a contrivance to tide farming through a crisis, but machinery ideally suited to its needs in time of peace."

These views apply with equal force to Western Canada. Our own committees, with the assistance of professional agriculturists, should, we think, play a major role in:

1. Zoning agricultural production in relation to soil, climate and probable markets.
2. Long-term soil conservation measures.

KEEPING FARM MACHINERY UP TO PAR

AN IMPORTANT PROBLEM IN THESE WARTIME DAYS

Every Canadian farmer has at least two problems to meet and beat. First, there is the important problem of increased production, made necessary by the increased overseas demand and the loss of foodstuffs by submarine warfare. Then, as well, he has the job of keeping farm machinery in every-day working condition. And the latter problem is equally important.

ant, because, unless this is successfully met, any plan of increased production is bound to suffer. And, that is where proper lubrication steps into the picture. The part that proper lubrication plays in keeping farm equipment on the job is a major one. For, upon proper lubrication depends the efficiency and service of every piece of farm equipment that is used. This, however, need not be a major worry. Because, McColl-Fontenac Oil Company Limited has a Representative in this district who is prepared to advise farmers on the operation and preservation of farm machinery.

Borrowing for War Farming

Farmers all over Canada—grain growers, stock raisers, dairymen, fruit growers, vegetable gardeners, poultrymen—all kinds of farmers—are forcing production, fighting hard early and late to supply the enormous quantities of products demanded in the greatest of all wars.

In this "survival war" food plays a tremendous part, and the farmer is the dependable supplier, to

whom armed forces and civilians alike must look. The extra demands on farm production mean extra financing. The Bank of Montreal, ready always to cooperate with agriculture, is making special efforts at this time to help the farmer produce food for Canada and the United Nations.

If you need to borrow, see our nearest branch manager, who will understand your problems.
